В. OTHER ITEMS:

BRIEFING MATERIALS FOR THE AIR FORCE:

25X1 A request from briefing materials on the Agency was forwarded to us through OSI asked for information for 25X1 briefing purposes on the Organization, mission, and functions of CIA and its role in the USIB. Appropriate papers to fill this 25X1 need have been forwarded through OSI, , who conducts the Agency liaison with 25X1

2. BRIEFING

The seasonal period of instructor turnover seemed a good time to provide a run-down for instructors on the requirements for shipment of material overseas for use in their TDY assignments. Accordingly we have dittoed a memorandum for Trainers, with special concern for new EOD's, on the transmittal procedures and the rules laid down by CI/OA for clearance.
